Celebrate 2 Years of collaboration in CAMEL Project

“Synergy – the bonus that is achieved when things work together harmoniously.” – Mark Twain

SIDROCO HOLDINGS celebrates **two successful years** of CAMEL Project.

SIDROCO HOLDINGS celebrates that H2020 Caramel Project passed its first EC review with **Congratulations**.

SIDROCO HOLDINGS celebrates CAMEL's outcomes during the last two years.

1 Tutorial

Title: Automotive Threat Modelling Tutorial

Description: The tutorial focuses on providing step-by-step information to develop and analyse a threat model for Automotive using the Microsoft Threat Modeling Tool and STRIDE threat modelling approach, which utilises a data flow diagram of a process or system to identify relevant threats.

1 Webinar

Title: Connected Mobility Webinar - Ubiwhere & TICE.PT

Description: In this webinar CAMEL's project coordinator introduces the point of view of cybersecurity in future mobility, Dr. Pouria S. Khodashenas mentioned how cybersecurity may become a showstopper if it is not being addressed cautiously, for this reason, CAMEL project brings together 15 partners from 8 European countries focused on avoiding cybersecurity issues like: confusion on the perception, communication and E-charging systems.
